

Team Management Profile **IN-HOUSE** Accreditation

Invest in People Performance

The Team Management Profile (TMP) is one of the worlds leading psychometric profiling tools for understanding individuals, teams and organisations.

Integrating the TMP into your Organisational People Capability Strategy will...

- Build the capability of individuals and teams, resulting in optimal organisational performance
- Provide your organisation with a proven and sustainable work-based psychometric programme that is simple, practical and researched
- Enhance your suite of Learning and Development programme offerings
- Provide you with a ready to go L&D programme that can be implemented from team member to executive level
- Maximise the efficacy of your training dollars by investing in internally accredited TMP practitioners

How it works...

- We **design** your In-House TMP Accreditation specific to your needs
- The Accreditation is **facilitated** by our TMS L&D Specialists in your location
- We provide **post Accreditation support** via webinars, special events, training resources and Client Services support
- Your internally accredited team become TMP **lifetime accredited** TMS Network Members

TMP Applications to consider:

- Team Building
- Leadership Development
- Employee Life Cycle
- Conflict Resolution
- Graduate Programmes
- Career Conversations
- Agile Team Development
- Onboarding

“ The strength of the test, from a practitioner viewpoint, is that the **Team Management Profile** Questionnaire has high face validity with managers, the narrative profile is easy to read and understand, and the information and feedback guidance material is excellent. ”

Extract from **The British Psychological Society**
review of the Team Management Profile
