## HOW TO: Evaluate the impact of your team development programmes with Angela Wood from Queensland Health

Evaluating the outcomes from teamwork programmes is invaluable. Yet few people invest in a rigorous assessment of the impact of team development on team performance and organisational outcomes.

Angela Wood, Workforce Development Officer at Queensland Health (QH), Queensland's largest employer, will share what she has learned from delivering a successful team development programme to almost nine hundred learners over four years. What were the key success factors and how did she evaluate the programme and demonstrate impact.
